

## We Are Hiring!

### TV Director

#### Key Roles

- Bachelor's degree in Television Production, Media Studies, Broadcasting, or related field (or equivalent professional experience).
- 3-7 years of experience directing live television, preferably sports, entertainment, or news.
- Proficiency in multi-camera directing, live vision mixing, and OB/studio control room workflows.
- Strong understanding of broadcast systems, signal flow, and production technologies.
- Excellent leadership, communication, and time management skills.
- Ability to stay calm and make quick, confident decisions during live transmission.
- Creative storytelling skills and an eye for composition, pacing, and visual flow.

#### Preferred Skills

- Experience with systems such as Ross Carbonite, Grass Valley, or Sony switchers.
- Knowledge of broadcast automation, graphics systems(VizRT, Chyron, etc.), and replay coordination.
- Previous experience in sports production or outside broadcasting(OB) is highly desirable.
