

## **We're looking for qualified and passionate Mathematics Teacher**

Want to work for one of the largest charities of its kind in Africa? Are you passionate about providing students with quality education? Are you dedicated to making a difference in your teaching career by inspiring students? Does it sound like we are talking about you? Keep reading!

### **Vacancies and Work station:**

Mathematics Teacher at Primary School – Sisia Campus, Moshono, Arusha

### **About Us**

The School of St Jude is a pioneering leader in charitable education within Africa. Every year, we give 1,800 students free, quality education, hundreds of graduates access to higher education, and provide more than 20,000 government school students with quality teachers.

### **Who are you?**

A highly-motivated teacher with excellent attention to detail who loves working with students and facilitating holistic learning.

### **What we're looking for**

- Diploma/Bachelor's Degree in Education (Primary School).
- Minimum of Four (4) years of teaching experience at Primary level.
- Strong ability to deliver NECTA curriculum content.
- Excellent written and verbal communication skills in English.
- Competent female candidates are strongly encouraged to apply.

### **Why Us**

An opportunity to fight poverty through education and positively impact thousands of students in Arusha, Tanzania.

### **Are you interested?**
